My FBLA App

Bronze - Education - Activity 2

Every member of a chapter brings something to help the chapter thrive in its endeavors. It is time to develop an app that highlights your strengths and contributions to your local chapter.

Things to Remember

- Think about you want to be represented in your design. Colors, Textures, Line, Spacing and other design basics all say something about you.
- Be Creative. Instagram could have easily been photoshare, but may not have been as popular.
